

# JOIN US

FOR A SPECIAL PRESENTATION:

***"PHOTOGRAMMETRY, FROM SCAN TO SMILE:  
A MODERN SOLUTION TO FULL-ARCH CASES"***

Curious what photogrammetry is all about?

Wondering how it can help boost your practice, reduce chairtime, and improve your workflow?

If so, you're not alone - and we're here to help!

Join us, Thursday, June 12, and discover how photogrammetry can help take your business to another level, especially when it comes to full-arch cases.

Attend this event and **earn 2 CE credits**, learn what **photogrammetry is about**, and explore how it can **streamline your processes!**

Space is limited, so be sure to RSVP by phone at: 630-541-7666, by email: [info@firstchoicelab.com](mailto:info@firstchoicelab.com), Or by scanning the QR code below.

There is no charge for attending, and food and drinks will be provided, but spots are limited, so don't wait - Register today!
